HAPPY HOLIDAYS

BY DAVE WATSON

DIRECTOR OF COMMUNITY ACTIVITIES

Merry Christmas, Happy Hanukkah and have a great Kwanzaa. There. I think I hit everyone. And if I didn't, Happy Holidays.

This is a busy month for your Area III Morale, Welfare & Recreation Program. So busy, in fact, that we will be publishing a special Holiday Happenings booklet for everyone later this month, providing details of everything that's happening in your MWR program between Dec. 16 and Jan. 6.

Before that, though, there are a couple of things you should know about, starting with our annual Letters From Santa promotion.

Letters From Santa is a special program designed for children age 10 and below who live in the Area III area.

At your request, we will send your child a personal letter from Santa and gifts from the Area III MWR program.

This program is only designed for children living in this area – not your kids back in the States. AAFES has a special Letters From Santa program that it operates that's ideal for the kids back home. But ours is designed for here.

All you need to do is fill out the registration form

a request form at Youth Services. We'll also distribute the forms through the Camp Humphreys School.

Give a Creature a Home

Creature Meal

You'll get an entry form each time you purchase the featured Creature Meal or, in the case of the Strike Zone and Camp Long Bowling Centers, roll three games.

We'll draw the winners on Christmas Day or the first day of business after Christmas. Who knows? You might win a great gift for your wife, your daughter, your girl friend or yourself.

We continue the new activities at Freedom's Inn with Taco Tuesday, Ladies Wednesday, 10-cent Hot Wing Thursday and Carved Meat Friday.

We're calling it the Dinner 4-4. Every time you purchase an entrée in Sarducci's, you'll get an entry form. At the end of the month, we'll draw a name and

There were 20 suggestions for the new name for Harley's Place in Freedom's Inn. And the named picked by a panel of MWR professionals is **'Hoot & Holler'** -- name that reflects the relaxed atmosphere of the redesigned facility. The name was suggested by a member of the Area III MWR Staff, so there's no winner of the \$150 party. Instead, Area III will use the money to support its **FREE CARVED MFAT** that's yours to enjoy from 4:30-7
